Title (4-7 Words):	Gosak Gumba Rescue and Relief
Club Name:	Rotary Club of Dhulikhel Club no 50576
Event Date:	8 September 2026
News (100-250words) - Specialty - Facts & Figures - Budget - Beneficiary Profile - Impact/Outcome	In the aftermath of the Bhotekoshi Flood Disaster, Gosak Gumba (Yellow Gumba) became a place of safety and support for affected families. On 8 September 2026, it served as a temporary rescue center, providing shelter, medical care, and essential assistance. Rtn. Dr. Anish Joshi, IPP Rotary Club of Dhulikhel actively provided medical check-ups and healthcare support to children and families. A total of 520 people were rescued, including 116 children, 234 males, and 170 females. In addition to the immediate response regular direct Telemedicine services are being provided in Aamachodingmo, Rasuwa, to support the ongoing healthcare needs of children affected by the flood. Through telemedicine, sick children can receive medical consultation and follow-up despite challenges in accessing healthcare facilities. Timely action, community coordination, and compassionate care played an important role in managing the situation and supporting those rescued.
